Task force members are appointed following an application and selection process. Each potential candidate shall complete an application form and submit it by the annual deadline. A call for applications will be posted at least 4 weeks in advance of the deadline. The call will include information on the positions available as well as the application and selection process. A paper and on-line application form will be available to applicants.

A three-member Selection Committee of the Task Force, supported by staff, will be responsible for reviewing applications, undertaking interviews and reference checks, and recommending candidates for approval. The selection criteria will be determined by the positions to be filled as well as the individual's relevant expertise and willingness to commit to the time commitment and work of the Task Force. Both the selection criteria and decision-making process will be publicly available.

3.4 Terms

All Task Force members will serve 2-year terms. This will be waived for the inaugural Task Force, whose members will self-select for a 1 or 2 year term, in order to have a mix of term endings to ensure that there will be sufficient continuity on the Task Force at all times.

Terms will commence on October 1st and end September 31st. Should an opening occur between those dates, the Task Force members may choose to fill it, following the standard procedure to do so. Terms may be renewed once.

3.5 Executive

The Council will have an Executive made up of a President, Vice President and Secretary. These positions will be elected annually by the Council membership. The President will, with the staff, act as spokesperson for the Council. The President will collaborate with the staff to draft Council meeting agendas. The President will preside over the meetings, ensuring that the meetings run smoothly, that everyone is able to contribute, and that decision-making procedures are adhered to. In the President's absence, the Vice-President will assume their duties.

3.6 Staff Support

A Task Force Coordinator is responsible for the administration of the Task Force and its functions as well as creating and implementing an annual Work Plan if desired. The Coordinator will perform the administrative duties for the Task Force, including arranging meetings and note taking, and writing reports and public communications. The Coordinator position is filled by the Policy Advisor to the Community Futures Central Kootenay *Cannabis Business Transition Initiative*. The Task Force Coordinator will maintain, on behalf of the Task Force, communications and relationships with all external partners.

4. GOVERNANCE

4.1 Authority

Any public positions or statements taken by the Task Force will be the result of due process within the Task Force, including appropriate review, discussion and decision-making by Task Force members. Where possible, such processes will occur within the regularly scheduled

meetings. In the event that there is an urgent need to take a position on an emerging or urgent matter, the process can be undertaken by phone, email or a combination thereof.

4.2 Quorum

A quorum of the Task Force is 51%.

4.3 Decision-Making

The Task Force is intended to be a venue for the respectful and constructive exchange of information, advancing knowledge, and identifying options for better addressing the needs of the sector. The broad-based representation within the Task Force will help to ensure that decisions are the result a robust information exchange and decision-making process.

Consensus is the preferred decision-making process within the Task Force. If consensus cannot be attained, the matter will be put before the Task Force for a vote, where each member (other than the Ex Officio members) is entitled to one vote. A vote will be decided by a majority of those present and voting, provided that quorum has been reached.

The Taskforce will not be the sole method by which information is collected and disseminated to regulators from Community Futures Central Kootenay. Community Feedback, comment forms, public input through surveys and other means will also be sought.
